INVOICES

- To request an invoice, ensure your entry is submitted by Tuesday night before books close.
- If you're entering on the entry close date and need an invoice, please text **214-797-6076**.
- Invoices must be paid by **Monday, 9 PM** before the rodeo to avoid a late fee.

SAVE MONEY

- When paying by invoice, **ACH** has the least amount of fees, especially for high entry fees.
- If you're mailing a check, it must be postmarked **2 weeks before the rodeo**.
- Need to pay **after** postmark date? It may be cheaper to pay by card than using priority mail.
- You can leave a check at the prior rodeo. The check will **not be deposited until Monday** after the rodeo you're paying for. For example, if you leave a check at Rodeo 5 for Rodeo 6, the check will deposit the Monday after Rodeo 6. This guarantees timely receipt.
